Golf Data Licensing Agreement - US Golf Data

This agreement confirms that _____ currently doing business at _____, has licensed the US Golf Data database from US Golf Data for the sum of _____.

The data provided in this agreement is owned and maintained by US Golf Data, a Florida company. Any sale, transfer, assignment, sublease, or permissions of use of this data to a third party is prohibited unless approved in writing by US Golf Data.

This data is licensed solely for use by _____.

The data licensed is accepted as is. US Golf Data will make every attempt to assure data within the database is correct and useable.

US Golf Data will offer updates and edits of course information as part of our data maintenance program designed to keep the data current and moving forward. US Golf Data will provide course and data updates every 12 months and relicense the data at the same time. The licensing fee will be \$199 per year or 30 cents per edited or added course, whichever is less. (this year 2400+ courses were edited). This program is not mandatory but highly suggested.

This licensing agreement is final and no refunds nor attempts to transfer data back to US Golf Data will be permitted nor accepted unless agreed upon in writing by US Golf Data.

Fields of Data licensed: (Currently Available)
